#IgualdadIAPESGWC0E

 Spanish Olympic Committee promotes policies to make possible the equality of treatment between man and woman.

- Three women at the head of Spanish sports federations, same number as 15 years ago.
 - Women play an important role in many aspects of the direction of Spanish sport.

- the distribution of resources
- access to the professional sphere, high level competitions and the national teams
- it is not treated in an appropriate way by the media

Royal Spanish Lifesaving Federation

- 2004: Federation not only of men but also sexist
- Also in international level
- We work to guarantee a future in equality, where athlete and person, will be valued for their abilities and their merits
